

## Final Engagement Challenge

*Rachel's final engagement challenge is to beat Eleanor in mahjong. Mahjong tiles corresponding to each engagement challenge that Rachel has passed are now shown on the Puzzles page, to help her learn how the challenge works first.*

*Rachel then used the answer tiles she received from passing each engagement challenge and just went for all the biggest 胡牌, without caring about the scores.*

*After winning over the family heirloom, what did Rachel use to finally placate Eleanor?*
