

## The Fraternal Twins

*Anisha and Shaniya are fraternal twins. They may look different, but they're really cut from the same cloth.*

In a typical Fraternal Twins puzzle, corresponding six-space sections contain the same letters, but in a different order. This is not a typical Fraternal Twins puzzle.

**Anisha**

- Smooth fabric (4)
- Source of discomfort in one's side (5)
- It provides authority and is often set in a ring (6)
- Ambush or intercept (6)
- Large branch of Islam (5)
- Tony's successor in government (6)
- Young boy (3)
- Got ready to propose (5)
- Given, as responsibility (8)
- Remove the skin (4)
- Word with code or guard (5)
- Ghost or English isle (5)
- Say "watch out!" (4)

**Shaniya**

- Slender part of a plant
- Taking on help
- Pure white
- With egg, a reserve
- Restless or fidgety, informally
- Giving praise
- Amount of things one has to do
- Beginning (of something bad)
- Protruding rim
- Pastry or language
- Go over the main points again
- Trail where one might die of dysentery
- Timid, distant
