

Ooze

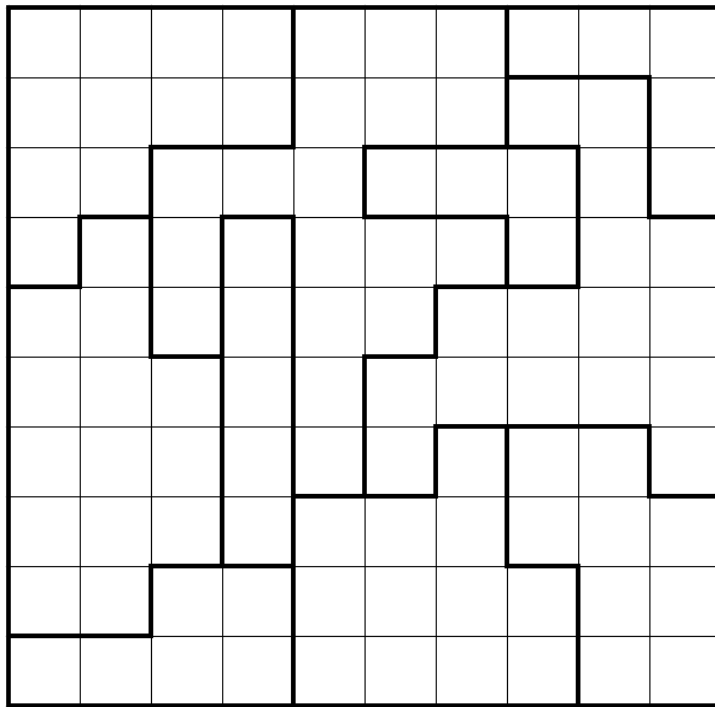

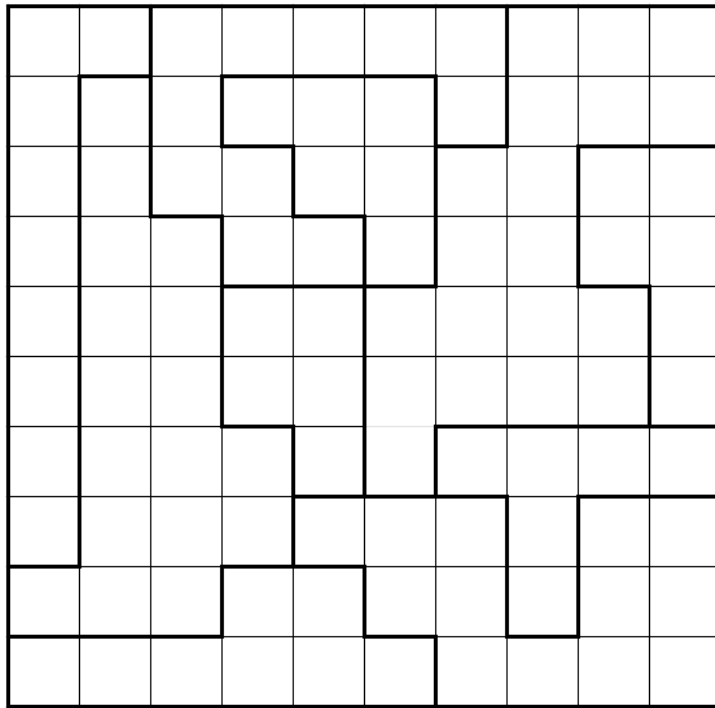

You prepare to start battle with the oozes.

Rules of Ooze Battle:

- Place oozes into each grid such that there is exactly 1 ooze per row, column, and region.
- The oozes may not be adjacent horizontally, vertically, or diagonally.
- The oozes must be placed in such a way that each ooze can separate into two smaller oozes that are adjacent horizontally, vertically, or diagonally to the position of the original ooze.
- Considering only the positions of the smaller oozes, there are exactly 2 per row, column, and region, and the smaller oozes may not be adjacent horizontally, vertically, or diagonally.
