

SONIC TANK

You find out that the secret weapon of the Atreides is the Sonic Tank, a mean machine which fires a big blast of sound energy that passes through anything along its propagation path.

What effect did the flanking Atreides sonic tanks produce?

One who transplants buds (7)

Contemplated, pondered (5)

Make an attempt (3)

No remainder when split (9)

Line between two countries (6)

Hannukah observer (3)

Baking leaven (5)

Jump on one foot (3)
